## Product Disclaimer and Compliance Statement

FC Technologies is dedicated to ensuring that this flight simulator package complies with all relevant European Union (EU) regulations and safety standards. We have taken every reasonable measure to design and manufacture this product to meet or exceed these requirements. However, it is essential for you to be aware of the following:

**EU Compliance:** This product has been designed and tested to comply with applicable EU directives and regulations, including but not limited to CE marking requirements.

**Use as Intended:** Please use the flight simulator package only as intended and in accordance with the provided instructions. Misuse, modification, or alterations of the product will lead to safety risks and void warranty coverage.

**Supervision:** This product may contain small parts and moving components. It is not suitable for children or individuals without the necessary experience. Ensure that children are supervised and that they do not have access to the product unsupervised.

**Regular Maintenance:** To maintain the safety and functionality of your flight simulator package, perform regular inspections and follow maintenance recommendations outlined in the user manual.

**Safety Precautions:** Be cautious when assembling, attaching, or using the components of this package. Ensure that all attachments are securely fastened to a suitable table or surface.

**Warranty:** This product comes with a limited warranty. Please consult the warranty terms and conditions provided with your purchase for details regarding coverage and the claims process.

**Legal Responsibility:** FC Technologies shall not be liable for any accidents, injuries, or damages resulting from improper use, negligence, or failure to adhere to the provided instructions and safety precautions.

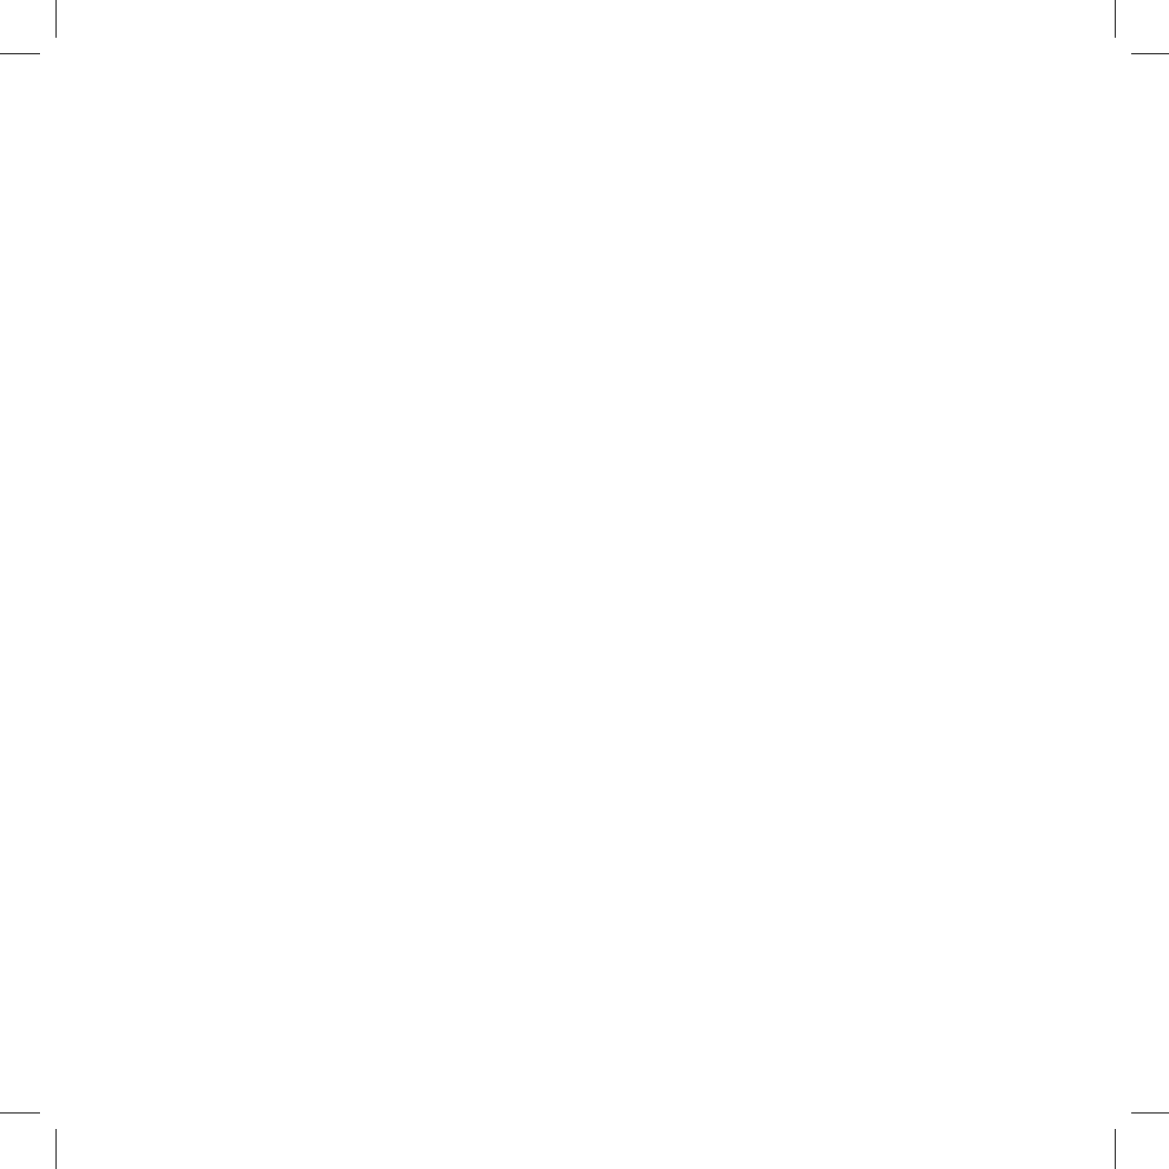

**Contact Information:** For any inquiries, product information, or assistance, please contact our customer support team. Contact details can be found on our website or in the product documentation.

By purchasing and using this flight simulator package, you acknowledge that you have read and understood this disclaimer and agree to use the product in compliance with all applicable laws, regulations, and safety guidelines in your region, including those of the European Union.

We wish you enjoyable and successful adventures in your flight simulator gaming experience!
